“ My dear beloved Aunt Dawny,  
You fought so hard to come home if only for a little while, but it wasn't to be. Your Heavenly home was calling you. Knowing how much you love your family and friends, we can only imagine what your reunion must be like. I remember all the beautiful dresses with the puffy bows you made me as a little girl. They made me feel so special and loved. When asked where I got my beautiful dresses I proudly said you made them just for me! You found out how much I loved chocolate chip cookies with black walnuts so you made me a big jar of the biggest, yummiest, chippiest cookies ever . A child's dream! You always went out of your way to show us all how much you loved us. Right up until you walked into the arms of the Lord you showed us how family holds each other up until we can stand on our own. I will always cherish my memories of you. So I am thankful to God for blessing me with you as my precious Aunt Dawny. It was my honored and joy. The Three Muskateers are together again. All our love, thoughts, and prayers to our beloved Uncle Buster and family.

Blessings,  
Sandy and Kenny  
xoxo

“ I just wanted to express my gratitude to Aunt Dawny and Uncle Buster. They have given me many of my best memories. When I was little my Mom, Sandy and I would go swimming at their house in Royersford. I also looked forward to special occasions when we would go there to eat dinner, visit, and I could play with Beth and Stevie downstairs in the family room. It was also fun going to work with my mom over the summer when they were in  
Pennsburg. While she worked I would swim and play. We enjoyed going with them to the Mountains and the Shore. Some of my most special memories are being with my children at the Shore house. It is my dearest hope that she knows how much she touched my life. There just never seems to be enough time does there? It's funny, because in the end all there is is time. Aunt Dawny was the last link to my Nanny and my Aunt Betty. She was the last of "my ladies". Now their chain is linked again. So it isn't goodbye, it's until we meet again.
