

Donald A. Homer, Sr.

August 20, 1935 - February 5, 2020

Donald A. Homer, Sr., 84, husband of Mary (Hamilton) Homer, of Audubon, Pennsylvania, passed away on Wednesday, February 5, 2020 in the Meadows at Shannondell, surrounded by his loving family. Born on August 20, 1935 in Franklin, Massachusetts, he was a son of the late Lottie (Bent) and Carl I. Homer, Sr.

Growing up and throughout his life he had a passion for agriculture, farming, and giving back, which was shown through his activity in the Boy Scouts and the 4-H Club. He earned the rank of Eagle Scout, and later served as a delegate to the International Boy Scout Jamboree in Valley Forge, PA. During his years with 4-H, he served as a delegate to the National 4-H Club Congress in Washington DC and received many accolades while discovering his lifelong passion for animals. He also met his lifelong love and future wife of 61 years where together they formed a successful 4-H Club in Rhode Island.

He graduated from the University of Massachusetts at Amherst where he studied Animal Husbandry. He also received additional certifications from Penn State, Florida State and Michigan State Universities. After graduation, Don volunteered in the AirForce before managing several cattle farms in various states across the US. He then joined Peggy and David Rockefeller's three-farm operation for over 30 years.

Continuing his passions, Don was a founder of the Simmental Breeders Sweepstakes in 1985 and served on many Boards including the American Simmental Association, the Muscoot Farm, the Westchester County Agriculture Farm Land Protection, the Westchester-Putnam-Dutchess County Farm Bureau, the Cornell University Cooperative Extension of Westchester County, and the Stone Barns Center for Food and Agriculture.

Don took pride in his family supporting them in various ways. He spent many hours searching for Indian arrowheads in Georgia with his children and in later years attended his grandchildren's sporting events and activities. Most importantly, Don was a wonderful husband, father, father-in-law, grandfather, uncle, godfather and friend.

In addition to his loving wife, Don is survived by his children: Barbara A., wife of Ray Zulauf, of Beekman, NY, Don Jr., husband of Debbie Homer, of Sleepy Hollow, NY and Melinda K., wife of Jim Fink, of Royersford, PA; and six grandchildren: Shannon, Ray, David, Jarrod, Alex and Michael. He was preceded in death by his siblings: Florence M. Call and Carl I. Homer, Jr.

Funeral services will be held privately at the family's request. In lieu of flowers, memorial contributions may be made in Donald's name to Green Chimneys, <http://www.greenchimneys.org/give/> or Puppies Behind Bars, <http://www.puppiesbehindbars.com/tribute-cards-and-memorial-gifts/>. “ Don was one of kind. We will never forget his unique, no nonsense way of commenting on or addressing an important situation. He was a tireless supporter of Cornell Cooperative Extension of Westchester County as a Board member and beyond that role. He truly understood the importance of Cooperative Extension both in New York State and nationally. In addition, he was just a great guy.

Our deepest sympathies and thoughts go out to his family.

“ My favorite memory of Uncle Don is from the annual summer visits we three Welch kids would make, starting -- as I recall -- the summer that Aunt Mary and Uncle Don married. We SO looked forward to those visits! I remember Uncle Don lifting me up so that I could touch the nose of the mounted head of his prize cow which won national 4-H awards, that hung in the living room right over the fireplace in -- as I far as I can remember -- every home they lived in and, as the story is told, travelled in the passenger seat, right next to Uncle Don, each time Aunt Mary and Uncle Don moved to a new farm manager position, from Massachusetts, to Cumberland Rhode Island, to the Great Lakes region of New York. I remember his humor -- sometimes corny -- always evident. We cousins feel so lucky that he was our Aunt Mary's sweetheart and therefore OUR inspiring uncle, a real-live cowboy-farm manager who went from single-handedly growing and harvesting the hay that he would then feed to the cows and the cattle he was raising for market, to managing the Peggy and David Rockefeller farm-estate where he established a national model breeding program for prize Simmental cattle. And a great, wonderful husband, father, uncle, grandfather, person.

“ Sad to hear of your loss. Don was well respected and loved by the Unadilla, GA community during his management of Calderone-Curran Ranch. Prayers for comfort.
