“ It was truly a blessing to teach and love such a spunky, sweet and kind-hearted little girl. Watching her grow and stay strong was a fine example to all of us. I have every memory we ever made solidly etched in my heart where it will remain. As we think about Ella, smiles and laughter will come to mind as well as her love of dancing and singing. She had some uniques and special gifts that she was able to share with so many children and adults everywhere she went. I think of you all as my extended family as we continue to create more memories. Heaven has our best little angel in a safe spot for us!
Love you all, you are in my thoughts and prayers. Barb Monahan

“ We are so sorry to hear about the passing of your daughter Ella. We can't imagine what it must be like to lose a sweet child so young to cancer. She was just a year younger than our granddaughter Amanda. We pray she has finally found peace in heaven with all the angels. Herm & Debbie Haggemiller

“ How many games of tensies did we play, and how many slime bubbles did we make? I loved listening to her sing and dance, hearing about her pig, crafting with her...so many sweet memories of a strong and charismatic little girl. She was such a bright light and she truly made my week for the past 4 years. You all have touched my heart and soul and I am sending so many hugs to all of you, especially Amelia who was also a bright light in the clinic. I will always remember and will miss her dearly. Love you all!
