

## Felix M. Cagliola Sr.

December 10, 1940 - November 19, 2020

Felix M. Cagliola Sr., age 79, husband of Linda (Cane) Cagliola, of Limerick, Pennsylvania, passed away on Thursday, November 19, 2020 at Pottstown Hospital. Born on December 10, 1940 in Norristown, he was the son of the late Mary (Bono) and Andrew Cagliola.

A graduate of Norristown High School, Class of 1958, Felix was an excellent athlete and was especially known in the old neighborhood for his basketball abilities. He gave 46 years of service to the same company, first employed by Philco, then Ford Electronics and finally as Visteon Electronics, in North Wales, until his retirement.

Felix loved time spent with his family, but most important, he loved spending time with his six grandchildren. He was their number one fan and was always in attendance at their sporting events or activities. He loved to tell you about how one of the kids played in a game, or how they were doing in school and other activities. His grandchildren were at the center of his world but he was also a fixture in the neighborhood as he would often sit on the front porch to watch the children play and to make sure they were safe. He would drive his two granddaughters down to the bus stop and get out of his car to stand in the street as the bus pulled up to make sure traffic would stop and ensure all of the kids got on safely.

Felix had a great love for watching sports. He could often be found settled on his favorite chair and viewing Sports Center or Comcast Sports. If you didn't catch a game, he could always fill you in on the details. He was also an avid golfer and would be out on the course at least three times per week, even most recently. While accomplished on the golf course, he always lamented about not having a hole-in-one but we know they will be plentiful for him now. He would make frequent trips to the local golf shop to trade in and pick up golf clubs in his eternal pursuit of finding the perfect club to improve his game.

Felix had a strong fondness for doughnuts and would regularly find an occasion to stop by Suzi-Jo's. He was happy to make trips to Costco and inevitably would return with an

oversized cheesecake or some other jumbo pie. He made it his mission to make sure that there was never a shortage of sweet treats and baked goods in the house.

In addition to his loving wife Linda of 54 years, Felix is survived by his sons: David (Victoria) Cagliola, of Collegeville, Michael (Meghan) Cagliola, of Royersford and Felix (Maria) Cagliola Jr., of Limerick; and grandchildren: Andrew, Nicholas, Joseph, Marissa, Isabella and Guiliana.

Due to current Covid-19 social distancing regulations, services will be held privately at the convenience of the family. Memorial contributions may be made in Felix's name to St. Teresa of Calcutta, Capital Campaign, 256 Swamp Pike, Schwenksville, PA 19473. Arrangements are being handled by the Cattermole - Klotzbach Funeral Home, Royersford. Condolences may be offered online at <http://www.RoyersfordFuneralHome.com>.

“ I worked with Felix for several years at Ford Electronics. He was one of the nicest coworkers that I worked with. He was always in a good mood and always had a smile on his face. I truly enjoyed the time I worked with him. My sincere condolences to his family. It was a pleasure working with Felix and getting to know him.

“ Dave, Vicky and the whole clan- so sorry for your loss! You are in our thoughts and prayers. It has been a long time since the good old days at Methacton High. One thing I would like to share is the reason why I can hold my own on the golf course has a lot to do with Mr. Cagliola. I can remember playing Jeffersonville or Hickory Valley and he would always coach me on my short game around the greens. I still carry his expertise with me to this day. It has been an honor and pleasure to have know him. May he rest in peace.

We will miss him watching the kids as they play outside and of course his presence at the bus stop. He was a great man and we are thankful to have known him over the past 10 years. Please know we are here if you need us and we are always here to help with Mom Mom Cag if she needs anything.

“ Mrs Cagliola, Felix, Maria, Giuliani, Bella and the Cagliola Family, please accept our sincere condolences and deepest sympathy on the passing of your Husband, Father and Grandfather. We only had the pleasure of knowing him for a very short period but learned rather quickly that he was a very good human being and only cared about doing the right and honorable thing. There were no pretenses and the only thing he loved after his wife and beloved family was being on the fairway, and, in that order.

God Bless him and may he rest in peace. Sincerely

“ To the Entire Cagliola Family, we are sorry to read of Felix's passing. Felix was a great co-worker much respected and admired by all of us for many years. He was also a deadly shooter when the old guys had a pick up basketball game a bunch of years ago. Felix was admired not only by his colleagues and peers at work but often cited by the many vendor reps with whom he dealt as a true professional and top notch person representing our Company.

He will be greatly missed by all of us who had the pleasure of working with him. May he Rest In Peace and God Bless you all in this time of grief.
