AS I WAS A NEWCOMER TO THE OFFICE SHE TOOK ME UNDER HER WING AND HELPED ME ADJUST. I WILL ALWAYS REMEMBER HER WITH A GRATEFUL HEART. SHE LOVED HER FAMILY AND LIFE. SHE PUT HER LOVE OF LIFE INTO A DULL OFFICE ATMOSPHERE. MAY THE HAPPY MEMORIES THE FAMILY HAVE OF HER EASE THEIR LOSS OF HER PRESENCE IN THEIR LIVES. BETTY WEBER

“Helen was my very first friend. We played together, started kindergarten together, and were kindergarten drop-outs together. From the time she was young, she was always smiling, making me and others laugh—she was always a joy to be around. Anyone who knew her was lucky. I am sure she arrived in heaven and was met by another old friend, Annie, who said “Glad to see you Helen. Let’s get the party started.” So happy she was part of my life!

“ I am so sad to hear the news of Helen’s passing. I have so many fond memories of Helen and Hugh from Ocean View Resort. Helen was a staple at the pool and always had us in stitches. She loved to go shopping and out to early bird dinners. She was always so excited for her family members to come visit and for the next great grandchild who was on the way. Family was everything to her and I know they will miss her dearly.

With deepest sympathy,

“ I have many fond memories of Helen and Hugh at the beach in ocean view and at our family gatherings. They were always welcome. There were . so many times where we laughed and had great times She will be Missed. I remember one day I went to Bateman Chiropractic I was sitting in the lobby and I thought to myself boy there's a good time happening in that office. lots of laughs and it sounded like a party must have been some great stories.. while I thought it sounded like there was a party going on... when the door opened and out walked j7st the 2, Helen and Heather and I knew where the party was. I started laughing I gave her her a big hug and I said Helen aren't you working? She said yeah no big deal I'm on my coffee break. Such a great person. Rest in peace.
