***A WORD ON THE MEMORIAL FUND FROM MRS. DOMISH:**

Hello, I am Jerramie's mom. Some of you knew my Jerramie as a hard playing hockey player who always had time for and loved his fans, friends, family and the life of any party he attended. Some of you knew the kind hearted, loyal person who would always help a friend. Some of you knew the man who had been changed by Jesus's love, compassion, and mercy. I want to briefly tell you one thing about my son that has been consistent since the day Jesus gave him to me... he loved deeply. I want to briefly tell you about the Jerramie Domish Memorial Fund we are starting to keep Jerramie's passion for hockey alive.

Jerramie loved teaching hockey skills and the game of hockey, especially to the "youngins" as he referred to them no matter their age. Jerramie very recently told me he wanted to talk with young hockey players about the hard side of hockey and the toll it can take on the body and the mind. He wanted to tell them how to use the power of prayer and Jesus to help them "navigate a potential mine field of injuries" as he called it. He wanted to make sure every kid who wanted to play hockey could even if they couldn't afford to. I told him I would help him in any way I could and this Memorial Fund is the way. We want to bring hockey to those who can't afford to play, teach them hockey skills, and help them know Jesus just as Jerramie had recently. We are asking for donations of time, money, equipment, ice, prayer whatever you can provide to help keep Jerramie's memory, passion, and love alive. You can send any monetary donations to the Jerramie Domish Memorial Fund in care of Phoenixville Federal Bank, 120 Main Street, Phoenixville, PA. 19460

You can send all non-monetary correspondence to 130 W. Main St., Ste. 144, PMB 343, Collegeville, PA. 19426, we are currently building a website. Please include your contact information and specifically what your donation is; such as hey Mrs. Domish, I can help at a clinic, or donate ice time, or stuff envelopes, or supply equipment or sticks, or I can be a pay warrior for the fund. Whatever it is you can do we want to thank you from the bottom of our hearts. It is our mission to bring hockey to all who want to play and help teach them about the power and love available to them through Jesus, Jerramie's redeemer.

“ Our prayers are with the Domish family on the passing of Jerramie. When he and our son Mike were young, and coming up in the hockey world, he was always encouraging about hockey and life. May he rest in peace.

“ This man was unbelievable beyond words! With not only his smile at the rink no matter what time of day or night, his presents where ever he was put a smile on everyones face. For me, my boys couldnt wait to see him! He made my boys what they are today along with his dad. Whether in the hockey world or personal choices. As a single mother, former employee of the rink, I thank you both for making such a positive impact in my entire families lives. He will be missed dearly!

“ So many great memories with my man Domer. I know I speak on behalf of many, many players, coaches and fans all over the world when I say... The hockey world will miss an amazing teammate, mentor and friend who dedicated his entire life to hockey and his love for the game. Jerramie is one of the brightest/ happiest kids I had the honor to play hockey with. He had a contagious laugh and smile that could light up any room he walked into. I will cherish the moments we had forever. Until we meet again buddy. RIP

“ May god bless Jerramie and his loved ones! I was very fortunate to meet and know Jerramie for about 30 years, when I met him and his family while coaching with the Little Flyers. Great player, great kid, who was personable and A LOT of fun! John Larnerd was a great goalie and student of mine who played with Jerramie, so we had a great time on the road with him and Head Coach Jerry Domish for many years! Always a pleasure to see and speak with Jerramie when he was home, or coaching with his dad! I am very sad that Jerramie is gone so soon, but I know he lived every year here fully, and with his great personality that everyone was drawn to! God bless you, Jerramie, until we meet again!

“ Mr & Mrs Domish, Angela, Andrea and Family,

My deepest and sincerest condolences on Jerramie's passing. I was shocked and saddened when I found out from a mutual friend-teammate of Jerramie's that he had passed. Jerramie's passion for the game of hockey was like no other I've ever known, and I remember having many the conversations with him about the Bruins-Flyers rivalry and UMass Lowell hockey(the mens and women's teams) and other hockey related stuff when we were in school at Lowell. May all of the good memories of Jerramie comfort you all, as they will all of his friends.

“ Jerramie had that effervescent personality that when he was present every one he was around felt his presence. Over the years I watched as so many young hockey players would light up and smile when Dome came on the ice at the many clinics we did together. They all wanted to put out their all for him, whether they where 4 or 19 they wanted to do their best. He had the same effect with all the people who where fortunate to have played with him. Always ready to converse and listen to friends, family, team mates, parents of players, and any one who he thought needed some one to talk to. My boys looked up to Jerramie as a big brother and we always loved it when he would conveniently stop by our house to talk, laugh and catch up, always just before dinner. He would light up when I would say "do you want to stay for dinner". Needless to say there where never any left overs when Dome stopped by. He was one of a kind and I will cherish all the memories I had with him.

“ Jerramie will forever be missed and never forgotten. Jerramie was a skilful young man who taught many hockey players under him the skills much needed to succeed not only on the ice but also off in life. Jerramie’s class, wisdom, skills and passion for the game of hockey and for the game of life showed in all the players he worked with. Jerramie was a wonderful person, hockey player and just as important like a family member being looked up to as “a big brother” by all he taught and coached hockey to. His heart was huge. We will forever be great full that Jerramie shared his talented passion for hockey and also his booming, loving and carefree personality with so many hockey players he loved to call their “little brother”s. -Maureen Rykowski-McCarthy
