“ Jack was an integral part of our community. His dedication to the Levittown-Bristol Kiwanis Club from it's inception in the 1950's lasted until he passed. Jack always headed our Peanut Days and the Radio Circus. He was most recently involved in the Girl Scout Leader Honor Dinner and guided me in the planning. He was also keeping up with plans for our Kiwanis 65th anniversary dinner in which he was to be honored as the most senior member of the club. Jack also worked tirelessly as part of the Bristol Township Truman High School Scholarship Committee. His dedication to the community was unsurpassed. I will miss him terribly as he was a friend and a mentor. Jack, you were a leader for good and we will continue to soldier on continuing the good works you started. We will never forget your contributions.

“ I remember John fondly from church. I play the guitar, and he never missed an opportunity to let me know how much he enjoyed the music. He always had a smile on his face and was so friendly. He will be greatly missed. Praying for you all during this most difficult time. Sincerely, Colleen Moore
