“ Mary and i were good friends for a long time. I especially remember our Saturday night dinners together with our husbands and other neighbors. We did a lot of laughing and always had a wonderful time.

“ Mrs. McDermott had an infectious laugh which I will never forget. She was always kind to me and welcomed me into her home and to the family dinner table as if I was part of her family. She was a role model to me and influenced my decision to become a nurse. Heaven has gained a new angel. May she rest in peace at the side of Mr. McDermott.
