“ To Marti and Don, I just discovered that Peggy passed away on November 15th. I am very sorry for your loss and I'm sad that I didn't get to talk to her recently. I guess the last time I spoke to her was several years ago some time after she had retired and I always meant to stop by and see her when I was in the area. I had been trying to contact her the last few years but she never answered the email I had for her. Peggy hired me in 1973 at Certaineed Corporation in Wilmington, DE. She gave me a chance when I barely had any experience because I was a single mom just like her and I have always been grateful for her confidence in me. She took me to Bermuda once which was a blast and Don watched out for my children for those 4-5 days. I'll never forget all the wonderful memories along the way, including when we both transferred to Valley Forge. Please know that I will always cherish knowing her and meeting most of you. Rest in peace, my dear friend Peggy!

Sincerely,
