“ *John & Dawn Vandegrift. Bud was one of the first person I got to know when I started at Custer's. He always had a great greeting when I arrived in the morning. He will be remembered by a lot of people.*

“ Dear Uncle Bud-

Thank you for the memories! I'm thinking about us coming over to watch WWF on Prism (that goes way back), playing with your awesome train set up during the holidays, family picnics at your home, and the many, many swim days in your pool growing up, which always included some home mixed ice tea or juice in a big thermos and some Bachman snacks! Family picnics at Aunt Betty and Uncle Bud's house were always the best. I looked forward to all of them and they are some of my warmest memories from growing up.

More recently, you and Aunt Betty were so wonderful in helping my mom with my dad through some difficult times and I will always be thankful for that.

You fought hard and now it's time to rest. Your faith will guide you from here. I hope that what they say is true and that you and Carol have been reunited. You will be missed.

Love-

Your niece Heidi

And to Aunt Betty and family- I am so sorry. I don't know what else to say. No matter how or when it happens, I think it's always difficult. We can try to reason knowing Uncle Bud had a long life filled with wonderful experiences, but we still miss him. I hope you find comfort in being with each other and helping each other through this loss.

Take care of each other, love you-

Heidi and Kirk
