“ Hello Maria and family. My name is Marybeth and I work at PowerBack Phoenixville and Spring Mill Senior Living in physical therapy. I've known Addie for years now .... and sadly didn't know she passed until yesterday ... when I ran into her good friend Floyd on the elevator. I absolutely adored Addie. I worked with Addie many times in therapy .... and also enjoyed our chats as she sat at the fountain area in the morning. I thought of her about two weeks ago when I was at Boscov's ... she always told me that she loved that store. Addie was a lovely woman .... and I miss her dearly. She always talked about you Maria .... and told me you were in Mexico recently .... she told me that because I was telling her how I was going to Mexico at the end of March. Sadly I never saw her again to tell her about my trip. I'm thinking of you all at this time. I really miss seeing and talking to Addie. God Bless .....

“ Maria, Paul, Tim, Alison, Michael,  
In the time that I was blessed to know Adelina, I was privileged to spend time with her and Al. The love she expressed for her family, her faith in God and her generous, gracious spirit were her hallmarks. When I am cooking I often think about her because of what she taught me in the kitchen. She made me wish that I was Italian!

*She nurtured an incredible family unit with all of you. I am so sorry for your loss and the new normal you will have to find.*

*Kindest regards,  
Laurie Hildebeitel*
