

Albert F. "Al" Munro Jr.

July 11, 1957 - October 8, 2018

Albert F. "Al" Munro Jr., age 61, husband of Nancy M. (Murray) Munro, of Spring City, passed away on Monday, October 8, 2018 peacefully at his home.

“ Nancy. I just heard about Albert and I am stunned and broken hearted. Loved him like a brother at one time.

“ Nancy, We just heard this morning of Al's passing. So sorry for your loss. When I told Glenn, he started down memory lane recalling their Skyline drive motorcycle trip years ago. Hoping you have many good memories from your years together to help you through this difficult time. Prayers for peace for you and your family as you deal with the absence of Al in your lives. As I look at the picture on this page, it brings back good memories of Al for me as well.

“ I can't forget - not do I want to forget the years Albert and I spent together, late teens to early 20's, along with Mark, Lillian and various other assorted friends. I' m thankful for the times Albert stopped me from doing something stupid and I think I may have done the same for him on occasion. The best thing that happened during those years was meeting two incredibly amazing girls, full of life and ideas. One named Ginger and the other Nancy. I think Albert and I have both been blessed and I know he would agree.

Nancy, I am so sorry for your loss. Don't be afraid to greive, it is ok, it is not a weakness. Jesus himself grieved at the death of his friend Lazarus. How much more so with your mate.

We are thinking of you in prayer and in heart.

“ Dear Nancy, Erin, Cindy and Family,

I am beyond word right now. Albert was such a wonderful person and I am so very thankful to have known him for over 20 years now. I will treasure and keep close in my heart of the great times spent with him and your families over the years-swimming, camping, parties, etc. He was such a fun and silly guy. Wonderful smile and laugh. My absolute FAVORITE memory of him was when he put those stars on his behind and laid out in the sun one summer, then showed us his"the moon and the stars"!! He's up there now along with the moon and the stars as God's newest Angel.

*Deepest condolences to you all right now in this your darkest hours.
Love to all,

“ I first Met Al at the Kight Mahlin Piano Factory in Royersford. Way back in 1976-77. We strung the piano backs. Putting the Strings on. We worked side by side and so I brought a radio and a long cable and a splitter and two sets of Headphones and Al and I would be Boppin to the music on WMMR or WXPN all day together. It actually made work Fun. From then on we've not spent a lot of time together, but we'd see each other once in a while over the years and catch up on how our lives were going. Later I became friends with his Mom Betty through music. So Al's been there in and out of my life all these years and I'm really, really going to miss him. That skinny kid turned out pretty good I'd say. I guess he just ran out of those nine lives. Ted The Fiddler
