“ My prayers are with the family. It is never enough time to have someone we love and cherish in our lives. Once they have left us the time passed seems so short of a period. Please take some comfort from the scriptures to realize that it is not God's purpose for us to live a short while and die. His purpose was for us to live forever on a Paradise earth. “ No one can take away our memories of our loved ones. I have many of Uncle Albert. When he took us fishing and we tried to land the big carp it made your heart start to race when you hooked one and Uncle Albert was that calming voice and told you how to bring in. You could approach him and talk to him about anything. He was a man who made mistakes but the key to that is that he was man like all of us and we sin and make mistakes. He loved his wife and children and they loved him. He will be missed but he is rejoicing in heaven today as he meets up with our Lord and Saviour as well as all of those who have passed before him. I love you Uncle Albert.
