“ *My deepest and heartfelt sympathies in the loss of your dear mother, grandmother, and great-grandmother! I am sure that you are so thankful to have had her in your life for such a long time. We all want our loved ones to live forever for that is the way we were made...to live forever. –Ecclesiastes 3:11. It is especially hard to cope with the loss of one who always shows you unconditional love. May you find comfort and solace in the One whose love we imitate because He first loved us. Jehovah God has promised us that if we turn to Him in prayer, He will strengthen and sustain us-Psalm 55:22. The Bible also says; "The righteous themselves will possess the earth, and they will reside forever upon it."-Psalm 37:29 proving that we will indeed be with our loved ones again right here on a restored paradise earth! I have found the scripture at John 5:28 & 29 to be most comforting to me. I hope you will find that to be true for you as well.
