“ *Dear Lucas Family:*

My heartfelt blessings condolences go out to you and your family. I was one of Lex's former student's back in 1990 at the Phoenixville Middle School (then the Junior High). My Mom is the Library Assistant at the school and he was a great friend to her. I remember him teaching health class / physical education and always being a positive role model for all the students. He will be truly missed. I pray that God strengthens you and your family in this great time of difficulty.

May my prayers be with you.

May God bless you,

“ Dear Lucas Family,
My condolences are with you and your family. I am so sorry to hear about the loss Mr. Lucas. He was a great person, teacher, father and friend. He was always willing to help out those who needed his help. I know he helped me when I needed help. This is very sad and I am so sorry he had to go at such a young age. I know he will be looking over everyone from up above. He has touched many lives and he will continue to do that. Lex will be in my prayers and he will always be watching over us every moment.

“ Dear Mrs. Lucas, Mr. Lucas was my sons' gym teacher last year and he was remembered by them as a quality guy, very inspiring and helpful.

Lex took the time to speak to me personally about my boys and to point out their strengths and positive behaviors.

I wanted to say that he is missed and that I appreciated his consideration and the time he spent with my kids and to share his thoughts with me. My condolences to you and your family.

“ Vicki,

I am so sorry to hear that Lex had passed away. We both started at PAMS together when it was a Junior High under Dave Stewart. We also shared his office during the basketball season and while I was an assistant wrestling coach. Plus, it would be me who would toot my car horn at the two of you during your even walk through the development. I will also never forget the many times we would be shooting the sports ball in Mr. Katancik;s homeroom in the morning before school started. When I transferred to the elementary level we kind of lost touch except on the first day of inservice at the HS. I hope you are doing as well as can be and if there is anything I can do, let me know.
