“ Dear Musumeci Family - I am a friend of Al's from the Blind Golf Association and wanted to leave a note and let you know how much I will miss him. He always had a smile and a kind word for me, and was always in a great mood. He was kind and generous and great to be around. Please excuse me if I am unable to come out and pay my respects in person.

“ Al will be remembered in my heart as a courageous, generous, kind hearted man who truly cared about others and had a wonderful sense of humor. I have been so blessed to spend time with Al and Adelina this year and to witness the strong bond between them and their family. The committment they shared with each other as well as the love with each family member is a testament to the extraordinary people they are. My deepest sympathy to each of you because you have lost a truly precious man.
