“ What a great big sister she was to me. She got me through middle school and that was no easy feat. She hosted spend the night parties at our house, chaperoned EYC activities and dances. I miss her greatly, as I know y'all do. Tomorrow, celebrate her life and all the fun times y'all had. She would like that so much.  
We understand how much y'all love and miss her. May the peace and love of God surround y'all at this time of mourning. Our prayers and blessings are with y'all.  
Love, Aunt Anne and Uncle Larry

“ Thinking of the family during this difficult time. Alice was a dedicated volunteer at the Food Bank of Central and Eastern North Carolina at Sandhills with the Backpack Pals Program! Even when she began having medical challenges she still volunteered until she moved away. Thank you Alice and Rest In Peace!

“ Dear Stackhouse Family,  
Eight, perhaps ten years ago, I worked with your mother at Backpack Pals in Southern Pines. Initially, though I think with some discomfort, she would go through the line and fill backpacks. Occasionally, on a hot day she would sit for a moment on the boxes to catch her breath and then continue, always encouraging us and never complaining. In time, she would sit out front and give the volunteers who came to pick up backpacks the number needed that day for their individual school. She was friendly, welcoming and dedicated. I am so sorry for your loss.

Sincerely,

“ We are so very sorry to learn of Alice Wade's passing. We met Bob and Alice Wade almost twenty years ago, shortly before we moved to Pinehurst. Since we shared the same name she called us her "kissing cousins", even though we were from England. She told neighbors she had met the "new Stackhouses", that we seemed nice people but talked funny - really! We have fond memories of Alice Wade which make us smile, even at this sad time. She was a lovely, fun lady who left a wonderful thumbprint behind her.

*Working at Woodbridge Place allowed me the pleasure of meeting and getting to know Alice Wade. What a hoot! Taking Alice Wade to her appointments gave me one-on-one time to really enjoy her sense of humor. *The Dellar and Lamont families send their condolences to Alice Wades family. We were friends with Alice Wade and Bob for almost 58 years when they moved across the street from us in Broomall PA. We had many fun times there and then vacationing, cruising and visiting them wherever they moved. I will miss talking to her several times a week, except when ALABABA WAS PLAYING. She will be missed.*
