“ RIP Dear Alicia, You left your family and this earth too soon. I'm certain they will treasure all the memories they had with you. I didn't get to know you very well since we're 1000 miles away. I'm sure you would have made me laugh since you seemed to have a great sense of humor. Love Aunt Mitsy and cousin Ryan ox

“ Dearest Alicia, I just saw you and you were so happy, now you are gone. Love you Alicia, Grandmom

*May the road rise up to meet you,
May the wind be ever at your back
May the sun shine warm upon your face
And the rain fall softly on your fields
And until we meet again, May God hold
you in the hollow of his hand*

“ *Alicia you were like another daughter to us. You always made everyone laugh around you. You were always there when someone needed you. We can't believe you are gone. We are still in shock and can't believe this is real. We keep hoping to wake up and this is all a dream. You will be greatly missed. Rest in peace Alicia. The Pickens family has you and your family in our thoughts and prayers. We love you Alicia.*
