“ *Sadness does not even express what is felt by this sudden loss. Uncle Rich, Aunt Linda, Richie, Kristin, Matt and Dagny, you are all in our prayers and in our hearts.*

Being a part of your family for the short time that I lived with you, taught me of the love and family togetherness that I one day could have. Your family and love for each other was and still is an inspiration to me. I will always hold tight to the memories of our family vacations, soccer games in the rain, and Alison having a fit over her hair before school. I know that they are always going to be with me.

I was and will always be honored that you allowed me to be part of your family.

*All of my love,
Taunya*

“ I am so heartbroken to hear about Alison, she was such a joy to be around. I knew her since she moved to Wyalusing and then we were pregnant at the same time. It was nice to be able to bond in that way when we saw each other. I found her on the computer a few months ago and we exchanged emails and she sounded so happy. We told each other how much we missed one another and I was hoping to see her again when she came back to visit. Your family and especially little Dagyn will be in our thoughts and prayers at this tragic time. I know all of us up here will miss her dearly and never forget her smile, voice and thoughtful ways. God Bless you all!
