“ Hey! I'm sorry to hear about Alans passning. I met Alan and his son Alan Jr in Grums, Sweden in 2006. He was looking for his swedish relativs and got in contact with my mother Berit, and at the summer 2006 they came for a visit. Too bad we lost contact after a few years because I really liked them. They were two amazing guys ❤️. If someone wants to contact me which I hope, I would really like to know about my american relatives. My grandfather on my mothers side was an unknown half sister to his grandmother on his mothers side. And that unknown half sister was Alans grandmother on his fathers side.

My email is wigge83@live.se and I also have an facebook with the profile name Stefan Nein. I really hope for some kind of contact 😊

Greetings from Sweden // Stefan

“ We are just learning of Allan's passing, six months later. We know he was ill for some time, and we thought of him often. My granddaughter still asks for "That nice man who fixes things." Allan was such a great man and a good friend to our family for many years. Please accept our belated condolences.

“ *Dear Carolann and family
It is with much sorrow that I learn of the passing of Allan. I can recall vividly the first day I met him and the last day I saw him. He always made you feel so good! Whether it was his sense of humour or his simple kindness, it was magic! I leave you with prayers and good thoughts about a good man, brother-in-law, husband and "father"!

“ *I have only fond memories of Allan. We spent quite a bit of time together on the farm, especially around the barn and fields. We did some fun and dangerous "projects" together. He was always good for a full day of laughs and fun adventure. I'll never forget my cousin, Allan. RIP my friend.

“ *Allan was the centerpiece of a wonderful family who believe in sincerity, hard work, earned pride and humility in love. Allan faced his fears across the decades and in his final hours. I look for him in his surviving relatives and am sad he is not here with us today in person.*

“ *Who else but AJA would take his sister and almost favorite brother in law to one of the finest eating establishments in all of Philladelphia. My next meal with him was in his pickup truck to eat slam sandwiches at the Philly city dump. Gotta love that man!*

“ It's easy to see what was most important to Allan - FAMILY! Thank you for sharing this beautiful video of tender family moments. Although I only knew Allan for a fleeting moment, it was a gift of grace to share time with him. I will keep Allan and all of you in my prayers. God bless this hero and may the Lord shine His face upon him.
