“ I haven't seen Amanda in years since I used to babysit her along time ago. I remember watching the first 90210 episode with her. I thought of her over the years when my parents would update me on her. Missy and family my heart aches for you for I know what it is like to lose child. She was a special kid. I wish I knew her as an adult but never forgot about her. She is with you always!

“ I am a believer that God has all power and He knows what is best for us. I worked with Children's Services and met Amanda several times in passing. She was a very sweet and caring young lady and now she has gone to be with The Heavenly Father to receive her wings and become an angel for her family. It has been a blessing praying with the praying team at the Department and I know everything will be fine. If there is anything I could do at any time feel free and contact me. My prayers are with Amanda's family and May God Bless you all.

“ Amanda was such a joy to work with and to get to know as a person. It was an honor to know her and have her in my life but more of an honor to have her as a sister in Christ. Her love of the Lord Jesus Christ was an inspiration to everyone and such a tribute of how God can work in the lives of those who allow Him to use us. She will truly be missed but it is a rejoicing time to know the Lord was waiting with His arms wide open for her to welcome her home to her eternal home in glory. God bless you all and you are in my prayers.
