“ Pop-pop although your time on earth was short you have touched so many hearts. Carol has lost a part of herself but she will never be alone. There is never enough time with the ones you love and I have learned that the hard way. I may have not called enough or made the time to visit often but that doesn't change the way I feel..you are my pop-pop and I love you and will miss you always. I will hold dear the memories of my childhood and the time we spent together....Carol I'm so sorry for your loss and I love you too always!
