“ Hello, this is Angel Anita's friend from junior high school, hope you remember me I was at your house quite often, I lived in Limerick. I am so sorry to hear of Anita's passing my sympathies and prayers are with you all at this very difficult time. I have tried to find Anita for some years now and again my sister Mitsy tried to find her for a surprise for my 40th birthday six years ago but had no luck I wish we could have somehow found her It would have been nice to catch up, well I guess it was in Gods plans as everything is. Well I just wanted all of you know your in my prayers. Her service is private so I will hope to hear back from someone i have often thought of all of you and get a chuckle over things her and I did. She and I were buds then sorry we lost touch It would have been nice to see her children. love and God Bless Angel(Angela)Sutton Irey
