“ I only found out today that Cookie passed last January, and I wanted to let the family know how sorry I am. The last time I saw er was at Boyertown Days at the Park, early summer maybe 5-6 years ago. We spoke about her retirement and her son's family that she was living with. She looked and sounded so happy that day. I am her cousin Claudia Walsh, my mother was her father's oldest sister. We grew up together, and I have photos I'd like to share with a family member.
