

Anne L. Cantrell

August 20, 1951 - April 22, 2018

Anne Lord Cantrell, wife of David R. Cantrell of Pottstown, PA, passed away on Sunday April 22, 2018 at home in the company of her family and close friend. She died of breast cancer and was 66 years old. Born on August 20, 1951 in Morrisville, Vermont, she was a daughter of Claudia (Hohenberg) Mausolff and the late Thomas Mausolff.

Over the course of her life, Anne was a true spiritual Seeker and guide. Her life path took many turns from where it began in the idyllic countryside of New Hampshire. Her life contributions ranged from helping start the first health food store in her town, to living off the land for a year in a tepee, to writing for a baby clothes catalog in New York, to baking and designing birthday and wedding cakes using natural ingredients, to caring for children at Jacob House. Later on she would come into her true role as a Jungian astrological counselor and esoteric researcher, writing on various topics. She had a sincere desire to help young people find their way, just as astrology had helped her. By her very presence she was a channel, offering guidance for self understanding and insight. She lived her work and was a genuine mother to many.

In addition to her mother and husband, Anne is survived by one daughter, Danica Meri Cantrell; three siblings, Sarah Buel of Massachusetts, Peter Mausolff and Christopher Mausolff of California. She was preceded in death

by her older sister, Claire Mausolff.

Funeral services will be held privately. Contributions can be made in her honor to the Kimberton Waldorf School Scholarship Fund, at P.O. Box 350, Kimberton, PA 19442 or at www.Kimberton.org. Arrangements are being handled by the Campbell-Ennis-Klotzbach Funeral Home, Phoenixville, PA.

I will always remember Anne as my classmate at Hanover high school.

*I really enjoyed hanging out around the kitchen table at the Cantrell's
with Anne and David a few years back. I didn't know Anne that well, but
she struck me as a very thoughtful and dynamic person and our
conversations were very stimulating. All the best to you both... (Lionel

*Dear David and Danica,
It's not always easy for men and women to have true friendships. Anne
treated me like her brother from the first moment of our meeting some
40+ years ago. She has been and always will be in my heart. I look
forward one day to seeing her on the other side where I'm pretty sure
she's thriving already!*
