“*Dear Anita and Family, I am sorry to read of your mom's passing. Who knew after our years at St. Ann's that our families would one day be neighbors. You mom was always friendly and pleasant and a good neighbor. The family, especially my sons, loved her cookies and often talked about missing them when my sister eventually moved. They even joked couldn't we just tell her just because Jan moved that they would stop by for the cookies! Jan passed away Oct 2009 and Gina is now living with me. I remember that my mom often spoke of how she enjoyed their times sitting together on your mom's porch talking and laughing. You and your family are in my thoughts and prayers. Diana D. McGee*

“ Dear Anita and family, I was sorry to see your Mom's passing. I have lots of great childhood memories of your Mom and Dad and the West Co. picnics. They are probably all together having one big party.
