“ I am so sorry for you loss. April was a wonderful woman who was very kind and caring. We worked together for a couple of years and few of us co-workers were lucky enough to attend her wedding. She will be greatly missed. What an angel she will be! Elizabeth Waller

“ April was very kind, caring and a very good friend we went to school together. Another angel in heaven to look after us. She was taken way to soon. She will be deeply missed by many. Love and miss you April. Cindy (Lutz) Uren Husband

“ She was a kind, caring, generous, sincere and devoted mother, friend and wife. Her smiling face brought joy to those she touched. It saddens me to say another angel has been taken from this earth. I know she will walk beside her daughters and husband Joe and will always watch over them. We will miss you April.

“ *All my prayers go out to April's family and friends. I worked with her years ago at Parkhouse. She was a very nice and sweet person who always helped out in any way she could. I can say that she never turned her back on me when I needed it most and was there as a friend and coworker when I felt the world had turned its back on me. I am in disbelief of her passing.*

*To her family I say this, hold tight to those precious memories of her and take comfort that she is with our lord.*

“ April was so sweet. She was one of the nurses that went above and beyond her job position. I really loved working with her. Many prayers go out to her family and friends. It's so sad that she had to leave us at such a young age! It's so hard to understand why we lose someone that we love. To her family and friends, I pray for peace that passes all understanding. Know that God is with you always! <3 Carlene (a former Parkhouse co-worker)
