“ *Art and I knew each other from the day we were born. His parents and my parents were close friends and brought us together from day one. Even though we weren't brothers by blood, we knew each other so well that we referred to each other as "brother". I have so many great memories of our adventures together. As what happens sometimes in life we lost contact with one another, but I always kept him in my heart. I will miss him greatly and I wish I could have said goodbye. I will miss you brother.*

Arthur was my very best friend for the past 11 Years! I just found out today! I wish I had someone call me! I was wondering why I could never hear his Voice anymore nor could have had the opportunity to say my Personal Good Byes! I will always hold him very Dear to my special Place in My Heart! I will miss his dry sense of Humor and his Kind Sweet Words! I so glad that he came in my Life that Hot "Indian Summer Day" 11 Years ago! He was a Joy to have as Special Friend!
