“ Aunt Barbara, being my great Aunt, always seemed more like a second grandmother to me. She was the most thoughtful person. She thought of my brother and I on every holiday, big or small, whether we saw her or not. And over the last 10 years, she has done the same with my children. Sending them cards, showing us how much she thinks of them, on every special day, even Valentines day, Halloween, and so on. Always taking the time to send something to her great, great, nieces and nephew to show she and Uncle Vitus were thinking of us. I've never heard of a great aunt to do such a thoughtful gesture and there will probably never be one as such again. I hope you are keeping Nana and Pop company now and we will never forget the amazing woman you were to us. We love you so much. Stacy and family

“ *First, when we received the call of her passing, we were stunned and saddened. Uncle Vitus, Lori, Vitus, Michael, and your families, our hearts ache for you. She was such an amazing person. Family was everything to her. As you know, she always loved when we would all get together. We love, respect, and admired her. This is a huge lose to our family. We love you Aunt Barbara, Kevin and Brenda*
