“ Sorry to learn of Barbara's passing, I have known her and Elmer since I was a kid. My mother always took her cars to their shop for repair, and got gas as well. Barbara always had a smile on her face when pumping gas even in the bitter cold or extreme heat. She will be missed by many people, and now her and Elmer are together forever once again.

So sorry to hear this. She always asked how I was and my kids when she was pumping my gas. She knew I was a teacher and always called me "the teacher". She was so kind one day when I had forgotten my debit card and as a single mom back then had no credit cards! It won't be the same. Condolences to her family.
