*My mom mom was the glue that kept this family strong. She was more than a mom mom to me, she was my friend and my guiding light. I have been so lucky to know what being loved unconditionally meant. I can only hope to be half the woman she was. She was someone whom I always respected and now I promise to strive to be more like her than I ever before.*

*I just want her and Pop to be proud of me. I have always been so proud of their love. Mom mom, you're already so missed by so many. I will see you some day, but until then, please watch over us and help guide us thru.*

“ *I met Barb in junior high school and have known her ever since. I have always thought of her as my sister, and it breaks my heart to know she is gone. She and Dick were two of the most gracious people I have ever met. With love to the family, Dick, Gina, Donna and Chad. Judy Jolly*
