“ *Jeff and Deborah,
We are truly sorry to hear of the loss of your mother. Please accept our condolences and may our prayers help comfort you.*

We met Barb while visiting at Providence Place. Barb always asked about our family and had taken, Joyce, our mother/mother-in-law, under her wing and showed her "the ropes". She would proudly tell us she had so many wonderful years with her husband and show us the family pictures she carried with her. Visiting Providence Place won't be the same without chatting with Barb.
