“ Dear Uncle Celery, Suzanne, Audrey and Family,

We are so sorry to hear about Aunt Barbara, our thoughts are with you all and wish you comfort.

When I think of Aunt Barbara, my mind fills with so many memories. I can see her smile and that look in her eye that says “Oh David John!”

I am wondering how many buckets of water I filled from the lagoon for her and the other Aunts at Silverton in the days when there was no indoor plumbing...

Wondering what she really thought when I stuck the dead fish in Audrey’s face then jumped out of the rowboat and left her little girl stranded in the middle of the lagoon....

My mind goes to her making sure I looked “good” on the day of my Mom’s memorial, her best friend and Sister-In-Law, Betty.

I remember when she and Uncle Ellery visited us in Pennsylvania and Florida during their cross-country camping trips. They spent time with us, gave us cherished memories, tried to steal my puppy, brought a chess board and Uncle Ellery taught Adam and Chris how to play.

But mostly, my memories are of the love I always felt from Aunt Barbara every time I had the good fortune to be in a room with her. What a sweet and wonderful lady.

Wish we could be there with you today.

*Love to you All,
David John, Ally, Adam and Chris*

“ Uncle Ellery, Suzanne, Audrey, and all the extended family:
I am so sorry for your loss and know how tough this is for you all.
When I think of Aunt Barbara, I can't help but smile.....Aunt Babs,
member of the Weber family Auntie Army, feisty, fun loving, and
very "with it". She always had a special place in my Dad's heart as
the baby sister of three older brothers. She was one of my mother's
best friends in high school. As a young child, I remember spending
many wonderful times at Weehaven with Aunt Babs and Uncle
Ellery. She'd always ask me about my latest sailing adventures and
you could see her eyes light up as I'd "stretch" the danger in the
telling of the story to see her reaction. We have a kind of unspoken
tradition in our family; we rarely say "good-bye". Instead, we say
"see you later". I firmly believe that to be true - we will see her
later.....and there will be no tears. We love you all and are here to
help in any way.
With much love,
Scott and Linda Weber

*I'd also like to share this excerpt of "The Parting Glass", a Scottish
traditional farewell song:*

*Oh all the comrades that e'er I've had
Are sorry for my going away
And all the sweethearts that e'er I've had
Would wish me one more day to stay
But since it falls unto my lot
That I should rise and you should not
I'll gently rise and I'll softly call
Good night and joy be with you all
Good night and joy be with you all*

“ To my dear cousins and uncle and to all of your and our extended family, we send our loving support as we share your deep sense of loss. Aunt Barbara is my Dad's beloved "baby sister", a "sister" to my mother, and our fun and loving aunt who was our "second mother" when we were growing up. While we may grieve for our loss in this life, we count ourselves among the luckiest to have shared her love and she will forever live through our loving thoughts and memories. Sending deepest sympathies and our love - Lorena, Rich and Uncle Dick
