“ My parents and I lived next door to Barbara on Morrell Ave. My mom and dad always say she was the best neighbor. I was young but I remember staying at their house after school when my mom wasn't home. Barbara always welcomed me into her home. She will be missed. Jackie Bowes

“ To Barbara's Loving Family,

I remember Barbara from many years ago, having worked at the Postal Service (Eastern Region). I did not work in the same office with her, but I remember seeing her often and speaking with her on occasion. She was always very kind and friendly. When I went on a cruise to the Caribbean with a group of co-works in June of 1995, Barbara and Jim were there as well and we all had a wonderful time. I was so sorry to hear of her illness and passing. Keeping all of you in my prayers during this very difficult time.

“ *I worked with Jim and then Barbara for many years at the Eastern Region. We shared many a laugh, lots of lunches and recipes. I still make her spinach sauce and always think of her when I do. I'm so sorry to hear this news. Love and condolences to her beautiful family.*

“ *When we moved next door Barbara was there and such a joy! She was a lovely and generous spirit who was willing to take us under her wing. I am truly saddened by her death. Barbara was more than just a friend; she was an amazing person. She was always so kind and considerate to us that we always welcomed seeing her at every opportunity. Her passing will not only leave a void in our lives, but in the hearts of everyone who knew her. Our thoughts and prayers are with you.*

“ Growing up and getting to eat dinner at the Rocchi Sunday dinner table, the mornings she fed me breakfast on the way to Ryan when I would stop for Rochelle, the warmth that Mrs. Rocchi spread to all those around her, her laugh ,her smile and the lessons I learned about family by just being a guest in her home. These are the things I remember . My deepest sympathies to Rochelle, Vicki, Vincent and Jim and all those who knew her . Thank you Mrs Rocchi xoxo .

“ Barbara and I met while working at the Southeaster P&D. I have wonderful memories of lunches and shopping trips. My favorite memory of us was going to New York in the 90s and getting to eat at the famous Italian cook Lydia's restaurant. We took a "surrey bicycle" back to the train station. One trip I will never forget! She used to tell me all the time she wanted to open a "tea room". It was her dream. I learned that Italians eat there salad last when I went to dinner at her house. She loved her husband, kids, and grandkids. She was a delightful, caring woman and a wonderful friend who will be dearly missed.

“ *Barbara and I met many years ago working together at the Postal Service. It was an instant friendship that I will treasure forever. Our husbands became friendly and that led to many great times for the 4 of us together. She was a beautiful woman and a wonderful friend. I am going to miss her terribly. My love and prayers are with Jim and their family.*
