

Barbara Shuttleworth

May 20, 1951 - May 26, 2018

It is with great sadness that we announce the passing of Barbara Shuttleworth on the 26th of May, 2018, at 67 years of age.

Barbara's love of life was eclipsed only by her love of her family. She is survived by her husband Robert, her 4 children Michael, Stephen, Joy and Melisa, her daughter in law Kate and her 4 grandchildren Jordan, Caroline, Ethan and Kaeden.

Barbara's love for being active with her grandchildren will live on in them forever. She was the master at making the simplest activity into a tremendously special adventure. Nothing was ever more fun than a day at Mom-mom's!

Per her request, a small service will be held to celebrate her life on Saturday the 2nd of June at 9 Cannon Hill Lane, Phoenixville Pa. from 1 - 3 pm. In lieu of flowers, the family would ask that you commit a small amount of time to enjoy life with a family member, play with a puppy or bake someone a tasty treat to make them smile; All things that made her so happy.

"If ever there is a tomorrow when we're not together... there is something you must always remember. You are braver than you believe, stronger than you seem, and smarter than you think. But the most important thing is, even if

we're apart... I'll always be with you."

“ I will never forget the first moment I met Barb. My Mother had dropped me off at First Presbyterian Church in Norristown to meet her co-worker and friend, Scottie Brown and daughter, Barbara. Barb walked over to greet me in the vestibule. She was only 4 years old and wore the most beautiful dress I had ever seen. Her red hair seemed to sparkle and she gave me a big smile while holding out her hand to greet me. I felt so unworthy as I stood there in my best play dress which was well worn. My appearance did not matter to Barb. She grabbed my hand and led me to the Sunday School class. That was the beginning of a friendship that would deepen daily. We would both be very active in Church activities, children's choir, Vacation Bible School helpers, youth group activities, and Bible studies. We were even referred to as the BB"s. Beverly and Barbara were blood sisters! We actually poked our fingers to mix our blood! Since we went to different schools, we would talk on the phone daily telling about our day if we were not going to be attending an activity that day. Even though I lived on the other side of the tracks in a trailer park, it made no difference to Barb. She loved me with out prejudice. Her life was filled with love, zeal and forgiveness. No matter what she faced through the years she met things head on with forgiveness and love leading the way. Her love for her children remained unshakable. Whenever she spoke of her husband Bob it was with love and admiration and approval. Her Grandchildren gave a new dimension to her life. She adored each of them. For 63 years she remained a true and faithful friend. I am blessed that God allowed our paths to cross and recross though out the years. On our way to Youth group activities she would lead the bus load of teens in singing. One of her favorite songs was, "I've Got A Mansion Just Over The Hilltop..." She now has her mansion and someday we will be meeting again. Until then her loving example will remain strong with those who knew her and loved her. May her children and grandchildren carry on her legacy of love and compassion for all. ❤️ Bev

“ *Barbara was one of the sweetest girls I ever knew. She and I were an item back in the late 60's. Her family were the very sweet people, Her father and I used to bowl together for years, thus Barbara would come with him.*

I was fortunate enough last year to attend my 50 yr Class Reunion, and through Facebook, I found Barbara on line. Imagine finding someone after 50 years. We mad arrangement to meet while I was in Pa. We had a very nice visit.

My wife and I met Bob who was just a great person.

To Bob and his family, Linda and I would like to extend our Sympathy, Prayers and Love to all. Barbara was a wonderful person, and will be missed.

God now has a new Angel and she is watching us all. Gone too soon.

Love you Bob.

“ So Sorry to hear of Barbara`s passing. Roughly 38 years ago I spent a few weeks and a great Summer in the company of Barbara and her extended family. Over from Scotland with my parents and brother. We were made to feel very welcome and I recall spending time with her sons Michael and Stephen, Joy was very wee probably just a baby or Tot. Enjoying your good families hospitality I met so many good people and have great memories of my time spent with many of your family members and friends and neighbours. I believe Bill Frew is the tie between us. I am sorry Barbara is gone but am sure you will all remember her fondly and with great love. Martin Higgins, Ardrossan, Scotland.
