

Barbara Ann Wagner

September 24, 1960 - August 19, 2023

Barbara Ann "Sparky" (Genery) Wagner, age 62, of Royersford, Pennsylvania, passed away on Saturday, August 19, 2023 in the Einstein Medical Center Montgomery, East Norriton. Born on September 24, 1960, in Pottstown, she was a daughter of Lillian (Criblear) wife of Daniel Schaffer and the late Frederick Michael Genery.

Barbara had been employed as a customer service coordinator for Interior Logic Group in King of Prussia. She enjoyed trips to the casinos and golfing with her fiancé, Ron, especially when she was the one driving the golf cart. She loved Christmas time and watching Hallmark movies.

Barbara had an uncanny passion for goats, including visiting them on farms and taking goat yoga classes. She had a great love for her two crazy rescues, Bella and Brody and had such a great personality that she could take on the role of "everyone's Mom Mom." She loved attending her grandson Gavyn's races and there was nothing in her life more important to her than her grandbabies: Gavyn and Kenzi. Although she is no longer physically with them, she will continue to always be with them.

Barbara is survived by three sons: Rick, husband of Heather Krupp, Eric Colon and Nicholas Wagner; grandchildren: Gavyn and Kenzi Krupp; fiancé: Ron Horning; and siblings: Gregory Scott Genery Sr. and Terri Baldwin. She

was preceded in death by a son: Nathan Colon.

A celebration of Barbara's life will be announced shortly. Memorial contributions may be made in Barbara's name to the Last Chance Ranch, 9 Beck Road, Quakertown, PA 18951, <https://www.lastchanceranch.org/donate>.
