“ My sincere sympathies go out to the Osisek and Yuengling families. We were next door neighbors from birth through High School and shared many fond memories. In a time when we played outdoors and invented countless games. Many summer afternoons were spent playing Monopoly on the front porch. Evening found us playing kick the can, hide and seek, red light, true dare consequences, simon says, catching lightning bugs, and just being friends and sharing laughter and fun together. Though we have not seen each other often through out the years, Barb (Basha) and your family have always had a special place in my heart. May God Bless you all and help you through your sorrow. You have many memories of a wonderful person, treasure them. May you rest in Peace, Barb. Sincerely, Bud (Buddy) Sutyak

“ I will always have fond memories of Barbara working outside on her beautiful flowers. She always took so much pride in how they looked. She would always say hello and chat about the day. So many friends are gone now but we will all be together some day. My heart goes out to Denise and her father and the family.

“ *We send our deepest sympathy to all Barbara's family and extended family. She was not the stereo-typical Mother-in law but shared much of all she was with Valeri. This Included the span of how to make pierogies, her love of Jon, her love of crafts, her love of pets, and her love of family and friends. May you find solace in one another and remember to share your fond memories.*

“ I would like to extend my sincere sympathies to Barbara's family. We both grew up on Vanderslice St and spent many hours together midst the very social street where we had many friends and neighbors of the same age. It was a great childhood where we all spent time playing outside mostly. My heart goes out to her family.

Sincerely, Arlene Ponis Martin
