“ *To My Sister, My Friend*

*We shared a lot throughout our lives, some good, some bad. You were there for me through both the good and bad. I know at times we drove each other crazy but there was always the love most of all.*

*In those final minutes Mom, Dad, Jim and Frank were there to help you along and are cradling you in their undying love as is God.*

*You always were right there to help others and do what you could for them asking nothing in return. That was the way you were.*

*CARING, LOVING AND A FRIEND TO ALL.*

*You will be missed and thought of forever with LOVE.*

*I love you and miss you Mary*

“ *Bea Greco: What can I say about her? Better yet, what can't I say. Bea was a wonderful aunt, mother and sister. She always went out of her way to see that she helped others and made sure that others were happy. Bea had this saying that she used to say to me all the time. This saying was, "God only gives us what we can handle. Nothing more and nothing less". She is now in a better place. She is with the love of her life, her brother-in-law, and her mother and father. All of whom are seated at His right hand. She was one of the most caring and loving people that I have had the pleasure of knowing and sharing my life with. I will miss you and will always love you. RIP Aunt Bea.*

“ *The angels looked down from heaven one night  
They searched for miles afar,  
And deep within the distance  
They could see a shining star.  
They knew that very instant  
That the star was theirs to gain,  
So they took you up to heaven  
Forever to remain.  
Look down on us from heaven  
Keep us free from hurt and pain,  
You'll always be within my thoughts  
Until we meet again.*

*RIP Beaty*

*A beautiful person has been taken from her family much too soon.  
However, she is now at peace and enjoying the afterlife with other  
family and friends.
