“ Even though we met dear Berea later in life, she will always be "Great Grandmom" to us. I remember her holding baby Maddie like it was yesterday. Oh, the look of love on her face, I will never forget. As I explained to the girls just this evening, heaven received yet another wonderful person who now gets to be truly free to sing, dance, and play all the music she wants...forever! We will keep you safely tucked away in our hearts :-)  
All our love and gratitude, Grandmom Marsha, for sharing her with us this last decade.  
Xoxo, The Dalkner Family...Chris, Ami, Amelia and Maddie  
P.S. We picked the blue candle just for you

“ We will all miss you so much! Your life was full and we all know you are in a better place looking over us and listening to Grandpops jokes. You taught your children your beliefs and values and you taught me through them. I will cherish my time with you always.

Love you Grandmom.  
Seth
