“ *The bond of love is incredibly strong, so much so that not even death can fully separate us from those we love who rest in peace in the eternal presence of God. Every tree trimming party, every Eagles football game and every time we're enjoying cake she will be remembered and we will feel love*

“ *Mrs. Potchen was a wonderful, kindhearted lady! I've spent many afternoons at their house on Hart Lane St., listening to her play the piano beautifully! She also loved when projects were handed out in school, she would always jump in to help with them. I was always invited to stay for dinner or just hang out! So many great memories for an outstanding lady! God Bless ❤️*
