“ *Bernice was in my life, at Hopewell Manor, for only a few years. I learned a lot from her wisdom. I loved her smile and her “dry” sense of humor. I will miss her very much! Rest In Peace, Bernice. Your friend, Kathy*

“ *It wasn't until Diane and Victoria were recommended by a family friend as possible summer babysitters for my three-year-old daughter that I met Bernice before speaking to the girls. It became an instant friendship with the whole family. We were only several houses away from one another and used to walk back-and-forth in the summer to/from each other's house. Whether it be for my homemade chili and mashed potatoes or a delectable delight Bernice was cooking up; it was always a great time. That being said, what sealed the deal was my homemade lemon iced tea that the entire Hornberger family loved. So Bern determined herself she would make it just as good and that she did. I'm told the entire family loves my iced tea recipe so Bernice became a connoisseur of good homemade lemon iced tea. Bernice was a wonderful mother, wife, friend and a true description of a mama bear. No one messed with her girls. She loved her family fiercely and her love was extended to son-in-law's, friends of the girls and of course, her beautiful grandchildren. When things didn't work out for me domestically she was emotionally supportive as well as an aunt to my two kids. Bernice, was a strong and courageous woman with an abundance of love and kindness. Indeed, Bernice will be missed tremendously.*
