“ *Rowland, I'm sorry to hear about the death of your Mother. My Mom sent me the notification. Made me sit here for a moment and reflect on times spent with your family. One of the vivid memories was getting an incredibly bad sunburn when your family took me water skiing on the river. Just remember the water was so darn hot it sapped the energy out of your body if you spent too much time trying to get up on the skis. Say hi to Barbara and God Bless you and your family. Sincerely, Mike Bathurst*
