“ Beth was a super person whose main goal in life seemed to be to make others happy. I don't think she ever made a bowl of her famous spaghetti salad that she didn't come to my door with a bowl for me. She will be sorely missed for many, many reasons but most of all for the truly thoughtful person and friend that she was. RIP Beth.

“ I can still remember the first time the twins came to our house so their MamMam could see them. The many times they came after we had so much fun watching them grow. I must say Beth had a terrific wit we enjoyed waiting to hear what she would say next. I admired Beth's zest for life, she lived it to the fullest and loved every minute of it. Your love of family and friends was so evident, Your life was not nearly long enough, but you left a mark that will not be forgotten.
