“ *Dave, I was so sorry to hear of your Mom's passing. It is hard for me to believe that Betty was 85. She and I used to go for walks together pushing baby carriages with you and Traci in them. She felt more my age to me than 85. She was a very young, cheerful, friendly lady and I will never forget you guys as great across the street neighbors. You know she is in a wonderful place with your Dad and looking out for you until you meet again. Your memories of her will stay with you till then. Love, Bev Dudas McLean*
