“ Dear Wayne, Wanda and Tina, Charlie and I could not believe when we read your mothers obituary in the Mercury. She seemed so well and looked so good at your Fathers funeral just a few months ago! We can't imagine what you must be going through? Please know that our prayers and thoughts are for you all and may you pull strength from each other.  
Your Mother was a big help to me when we first moved to Brook Dr. Tina was just a little girl and I was pregnant with Jesse and your Mom gave me a lot of advice and support on raising children.  
If there is anything I can help you out with, I know it's a little harder when you all live out of state, please don't hesitate to call or e-mail us.

“ Hi Wayne and Wanda,  
My condolences on the loss of your Mom. I saw her only a few weeks before she died because she attended my Mom's funeral on April 9th. She looked good when I saw her.  
I remember both your mom and dad fondly. I'll never forget that they came all the way out to Pittsburgh for my wedding in 1979. It was so nice of them  
your cousin Dan

PS: Wanda, I remember you from Pius very well. You were 2 years ahead of me
