“ Betsy worked for us for almost 14 years at our Downingtown Center and our Phoenixville center. In the last couple of years she worked at our newly formed company Little Stars Early Learning Center in Phoenixville. She loved to go in early before the kids arrived. She was the first face the kids saw every morning when the doors opened. She was always on time and very rarely ever called out. When she called out on 7/3 and the next week I knew something was really wrong. She asked to be put on a leave of absence which I approved. I asked if she needed anything please let us know. She will always be remembered by everyone in our daycare. Rest in Peace Betsy!

With fondness, Michelle and Joann
