“ Growing up, I spent every weekend and every news years Eve with my Gram. I even have report cards with her signature on them (back when parents still had to sign them)

She taught me how to makes and decorate cakes, how to sew and attempted to teach me how to crochet, never did get the hang of that! I have so many fun memories to hold onto so until we meet again Gram, rest easy.

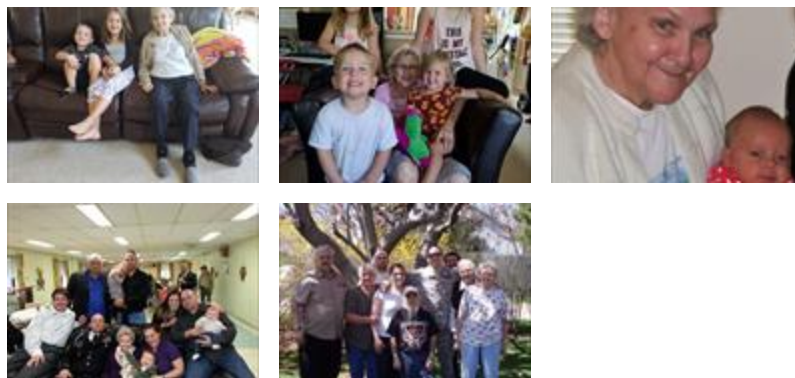

I love you and I miss you. Forever you are Telly 💕💕

I never met Betty (wife of my first cousin Sonny 1x removed) but she very graciously helped me with information and photos for the Leeck side of my family tree and I will always be thankful for that.

“ Eddie, Vickie, Michael, Dottie, and family,... .. Aunt Betty and I were the first in the family to graduate from nursing school, and we both worked at PMMC together. Grandmom Shaner was always proud of our accomplishments in the medical field. Aunt Betty was affectionately known as " Betty Boop" by her coworkers and patients alike. I will always remember her talent for cake decorating and her infectious laugh and her ability to bring a smile to everyone's face.
