“ I remember you being brought over to the Homestead unit. You were definitely a force to be reckon with. But over the course of time I was able to follow your pattern of how you did things. (Your way of course)! You had a smile that lit up the room. That amongst your witty sayings I will truly miss. I was glad to see you one last time before I went on leave. I will truly miss you. Diane and family, you're in my heart and prayers.

“ I worked with Betty at the A&P in Phoenixville and Royersford. Years later we found out that Evelyn Curchoe, a dear friend of ours, was her sister. Small world! Betty was truly a happy person. Her smile was contagious! She always brought that ray of sunshine. Rest peacefully, Betty!
