“ Dear Uncle David: We were so very sorry to hear about the passing of Betty. She was such a wonderful person and we enjoyed being with her. I know she certainly had a passion for doing our family tree research. So many long hours to gather information on our William's family tree. Feeling the loss of your loved one is so difficult to bear. God will comfort you and your children during the coming days. He's always there to hear your prayers, thoughts and needs. Take care of yourself. God Bless you, Love, Judy and Gil
