Tribute Wall

“ *The best granny. She always had cookies and licorice. As a small child, I loved to sit in her lap and name the colors of passing cars from her front porch. The musical rocking chair in her living room is forever etched in my memory. Tapioca pudding at her favorite restaurant, I love tapioca because of her. Uncle Bill driving us places, she never did drive. As a teen, we’d pour over Celebrity gossip magazines together, it was our “secret”. I will miss her smile, her beautiful blue eyes, and her laugh. I am so glad she met all 4 of my kids, her great-great grand children! We’ve been blessed to have her with us this long, truly.*

Love, Jen (great-grandchild)
